Position Title: STEAM Activity Specialist

The Mary Mitchell Center's mission is to improve the lives of families and youth in the Crotona community of the Bronx. A central tenet of the MMC philosophy is that nurturing youth in a caring, safe, yet stimulating environment can help them to become productive citizens. Thus, the MMC's goal is to offer various programs, including afterschool and summer programs, that provide Bronx youth with academic support, leadership development, health and nutrition education, physical fitness, and artistic development. Each program includes social skills and mentoring components integrated into the curriculum. The MMC seeks to help Bronx youth find alternatives to negative peer influences; pursue educational excellence; make positive life choices; and display appropriate social skills.

The role of the **STEAM Activity Specialist** is to lead activities focused around Science, Technology, Engineering, the Arts and Mathematics.

STEAM Activity Specialist Job Description: Part-Time: 10 -12 Hours a Week

This position allows you to work closely with the youth in the community, enrolled in our After-School and Summer Camp Enrichment Programs.

Below are the requirements of the position:

- 3+ years in facilitating STEAM lessons in a classroom setting, or College/Graduate Student working towards a degree in a related field
- 3+ years' experience working with youth in grades K-5
- Background check and fingerprints must be cleared before starting position.
- Ability to work with a team and to lead lessons.
- Bi-Lingual – Spanish and English preferred
- Completion of required trainings throughout the year

COMPASS DYCD is a contract-based program, and this position is open for as long as the program is being funded.
